The word ADVENT means 'coming'. It is a time to prepare our hearts and our lives as we wait for the coming of Jesus. Advent is a time to renew in ourselves the joy that came into the world on that first Christmas. We look at the promise that God made to his people and how that promise was fulfilled in Jesus. Advent is a time of hope. During Advent we await the celebration of Jesus' coming into the world at Christmas and we also look forward to his coming again at the end of time. While we are remembering the past, we are also anticipating the future. And that future is life with Jesus Christ.

We should use the season of Advent to get ready to live the message of Christmas. It is a time to share joy and hope with others by our caring and our love. We celebrate the love of God in sending us Jesus. We welcome the Lord into our lives.

During Advent we journey in faith toward the Messiah just as the Wisemen journeyed toward Him following the star. Advent is the beginning of the liturgical year. It should also be a time for new beginnings for us as Christians.

Peace be with you ~ Georgi
