**Summer Bazaar:** we are considering having a live auction, however it will require an auction committee to organize, collect donations and run the auction. In addition, we are considering changing bingo to offer cash prizes. This requires a license, a list of workers and one person dedicated to manage the financial aspect of the event. This license will allow the church to have multiple bingo events throughout the year. There are sign-up sheets in the gathering area for anyone willing to help with these two events. Your response will determine whether these ideas will proceed.
