MEMORIAL DAY, originally called Decoration Day, is a day of remembrance for those who have died in service to our nation. This day was first observed in 1868; however women's groups in the South decorated graves before the end of the Civil War. On this day, people of many faith traditions visit the graves of those who have gone before us. The Book of

Blessings reminds us that a cemetery is a **"place of rest and hope...comfort to the living...and the place where the bones that were broken shall leap for joy."**
