Sunday, May 16th, we will celebrate Ascension Day (a Holy Day of Obligation). After Jesus rose from the tomb on Easter Sunday, he stayed on earth for forty days. He still had things to do and people to see. When Jesus visited His disciples, they were able to see that He was alive. They touched the wounds in His hands, feet and side. Jesus wanted them to believe with all their hearts that He really had died on the cross and risen from the dead. Then He gave the apostles a very important mission. *Go to everyone around the world and tell them about me. Teach them the lessons I gave you. Baptize them in the name of the Father, and the Son and the Holy Spirit. Everyone who believes in me will be saved and will live with me in Heaven.* The disciples did this. We are disciples, too. We can share what we know about Jesus with others and spread the good news about Jesus by what we say and what we do. Finally, it was the end of Jesus' time on earth. Jesus was with some of His friends when suddenly He was lifted up before their eyes in a cloud. They could no longer see Him. Two angels appeared and told them that Jesus had been taken up to heaven and He would come back again one day.

We call Jesus' going up to heaven the *ascension*. Jesus was happy to return to God his Father. He finished the work his Father had given him to do and God welcomed him home with joy and love.

Jesus, help us to live the way you've taught us. This is how we can spread the good news of your Gospel everywhere we go. Amen.
