BREAKING OF THE BREAD: The Gospel account reminds us of the one thing that opened their eyes. It was the breaking of the bread. The critical thing that occurred when the “stranger” who was among them took bread, said the blessing, broke it and gave it to them to eat. Suddenly their eyes were opened and they recognized Him. They no longer saw Him with just their eyes, but they recognized Him with their hearts. They saw Him with their newly awakened faith, and opened their minds to understand the Scriptures.
